INSPIRING WRITING WEEK

What do you think this is and where has it come from?

I think it is a part of a rocket because it has a planet on it.

I think it has come from space because it has been burnt from having a big smok.

I think the letters stand for every east space alien.

I wonder if there is a alien in it and if it does is it have the dial?

Space has stars in up hi.

Pigs are flying in space.

Ailiens are playing football on
mars.

Craters are up on the moon.

Everyone is looking at the stars

What do you think this is and where has it come from?

I think it is the bottom of a root

because it looks burnt. I think it

it has come from space ~~from~~ ~~from~~

because it because satan is on it.

~~It~~ I think the letters stand for

~~the~~ ~~egg~~ ~~space~~ ~~space~~ ~~clean~~.

I ~~want~~ wonder if something is inside

~~inside~~ inside it.

I can write a set of instructions for an astronaut

How to get go + to space safety

1. First eat a lovely healthy meal. ~~Half~~ ^{Half} an hour before lift off.
2. Second you get your ^{Not} ~~hat~~ helmet & its the important part and it helps you to breath.
3. Third you drive to the rocket and you get to the top of the rocket.

4. Forth
~~forth~~ you get into the
rocket ready for the
blast off in a few
minutes later.

5. Now its time to ~~B~~blast
off then you shake and
rumble and ~~B~~before you even
 know your in space.
