To Spaceport Newquay,

Hi, my name is Petranella but people call me Nella. I go to goonhaven School a wonderful place. I'm writing to you because we've made a terrific discovery. At the school field (we think it's part of a satellite) a dented, rusty, old canister and it created a huge hole. We hope you could figure out a time we could meet. Have you recently lost a satellite or rocket? Where do you think it came from?

Love Petranella ♡
