

Squirrels Class Newsletter

2nd October 2026

What have the Squirrels been up to this week?

- In **RE**, we spoke about how we can care for God's world. In groups, they discussed what humans should do to look after the world and together made a poster on why it is important. We had so many lovely ideas from picking up recycling to looking after animals.
- In **English**, we started writing a letter to Albert. We wrote reassuring sentences to him as he has lost his pet potato, as well as giving him some advice on how to find him.
- In **Maths**, we started looking at addition and subtraction to the number 20. We started looking at part-whole models and how to split numbers as well as number bonds to 10.

Our Core concept this term is:

Responsibility and Risk

In **Geography**, we discussed the jobs and responsibilities of people in London. We explored important jobs and how they help.

In **Art**, we discussed Banksy's messages from his art and then how we can show positive messages that could help in our school. Before designing and sketching an idea for our next lesson.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

Year 1: **Jasper** has shown great resilience in his english writing this week when writing a letter to Albert. Well done Jasper for working on your finger spaces and sentence structure.

Year 2: When we were talking about jobs in London, **Emily** really showed us her knowledge around important jobs and who has the most important job.

Our Headteacher's Award

Freddie, this week has blown me away. Not only has he done a brilliant job of being responsible for his Pet Potato, but he has successfully moved house while looking after his Pet Potato. Wow! Well done, Freddie!

Our Pupil Voice

God would really like us to look after His animals as well as his Earth.
